

CAN YOU HELP US?

URGENT - FOSTER HOMES NEEDED

Ten cats cared for by The Cat Connection are losing their foster home Sept. 1.

We need to re-home them in pairs, or in larger groups. They have been together for many years in one large room, so they have buddies they need to stay with. They are very shy cats, so they don't need a lot of attention from humans, unless you would like to try taming them (which can be so rewarding!). They just need a safe, comfortable place to live out their days.

The Cat Connection will continue to take care of all trips to the vet, all vet bills, and if needed, can help with food costs and cleaning, and perhaps could even offer some monetary support.

We prefer they stay in the greater Waltham area.

Please call Eva at 781-893-2287 or fill out a foster application on our website:
